Shell Starfish	Early Years	9.00	Main Gate	2.50	EYFS Playground	South Gate South Gate

PICK - UP MAP

Children arriving by themselves

- If your child is in Year 5 or above, please encourage your child to cycle, scooter or walk to school by themselves if you feel it is safe to do so.
- You will need to sign a form (attached) and return it to the office. This will reduce congestion and keep them healthy.

Drop and Go

- We want to keep children and parents moving to avoid unnecessary contact. There will be a coned-off area to drop children after entering the Main Gate and then parents are asked to exit the South Gate **straight away**. The Main Gate and South Gate will be **one way** in the morning.
- Please do not wait on the playground as this will mean that bubbles mix. Early Years parents may wait in the EYFS play area until the children are collected. If you have children in different bubbles please **arrive for the earlier start** and your child can go straight to their class.

Collection

- Children will go out of the gate that is the nearest point to their classroom (see table above).
- Parents are asked to wait on the playground at a distance of 1 metre plus (see map). Children will be sent to their parents.
- **Parents should leave immediately so they do not mix with other bubbles.**
- If you have children in different bubbles, you can collect both children at the **earlier time**.

Bikes and Scooters

- We have purchased a new bike stand for key stage 1.
- To avoid crossing 'bubbles', please leave bikes in the correct stand.

Communicating with staff

- If you have an urgent message for the office or a teacher please email or phone.
- Please do not come to the school office unless it is an emergency.
