

Primary PE and Sports Premium Funding 2019 – 2020

The PE and Sport Premium is part of the Government’s commitment to improve the quality of PE and sport activities which schools are able to offer. This funding is ring-fenced and has been guaranteed up to 2020. At St Mary’s we are committed to ensuring this funding achieves the biggest impact on pupil achievement, motivation and confidence in sport, which in turn will impact on their whole school life.

The DfE provide information to schools about ways to use the funding and provide clear guidelines and indicators to help evidence impact and ensure a legacy for the funding.

‘The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2019 to 2020 academic year, to encourage the development of healthy, active lifestyles.

Schools can use the premium to secure improvements in the following indicators:

- 1) the engagement of all pupils in regular physical activity
- 2) the profile of PE and sport is raised across the school as a tool for whole-school improvement
- 3) increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4) broader experience of a range of sports and activities offered to all pupils
- 5) increased participation in competitive sport ‘

‘PE and sport premium conditions of grant’- DfE, 2014

Allocation of Primary PE and Sports Premium Funding					
Provision	Funding allocated (% of total PPSP)	Sports Premium Indicators	Details	Evidence and impact:	Sustainability and suggested next steps:
Deanery Sports Package (Provided through St Philip Howard High School)	£600 (3.2%)	1, 2, 3, 4, 5	- To compete in inter-school competitions within our catholic cluster	These competitions will help develop the pupil’s competitive nature whilst encouraging and developing respect, teamwork and self-esteem. These are skills essential to help them to participate in sport throughout their lives.	The costs of these events and training was discussed and reduced by 40% last academic year. We hope to reduce this further to cost price to ensure it will continue over the next few years.

			<ul style="list-style-type: none"> - To develop staff knowledge and skills with a trained PE teacher. 	<p>The training with a specialist PE teacher will provide expert subject knowledge for a given sport / skill. This will then be implemented in their teaching and will benefit their current children as well as those they will teach in the years to come.</p>	<p>The training has enable staff to reflect on their own best practice and apply changes to their own teaching.</p>
<p>FAB Sports Package – Infant and Junior (Provided through The Regis School)</p>	<p>£8,400 (45.3%)</p>	<p>1, 2, 4, 5</p>	<ul style="list-style-type: none"> - To promote competitive situations through festivals - To compete against other schools in a wide variety of sports across KS2 - Development of sports leaders through the Bronze Ambassador Programme 	<p>These competitions and festivals will help pupils to understand more about competitions and competitive situations whilst in a nurturing and supportive environment. The will ensure they have positive experiences within sport and will continue to participate later in life.</p> <p>The competitions allow children to compete against other schools in our locality and county. Children have the opportunity to display their skills and develop their own sportsmanship.</p> <p>Children will be trained to plan and deliver their own clubs and sporting initiatives whilst developing the communication and leadership skills through the planning and delivery of sporting events in school.</p>	<p>We have committed to use the allocated funding for next year to pay for an additional year of support with running these events, training and G&T programmes.</p> <p>By promoting and reporting on these events we hope to sustain and build on the level of participation as well as raise the profile of sport in the school.</p>
<p>Gifted and Talent - Future Flyers</p>	<p>Included in FAB Sports Package</p>	<p>4, 5</p>	<ul style="list-style-type: none"> - To promote and develop young leaders 	<p>Our more able pupils will gain vital experiences with their peers to develop their own knowledge, skills</p>	<p>This event has enabled us to work with experts outside of school to develop and grow our</p>

(Provided through FAB Sports Package)			<ul style="list-style-type: none"> - To provide expert knowledge and skills to G&T children to further their own understanding of a range of sports. 	and personal qualities needed to compete at the top level of sport.	G&T pupils. We will be looking at ways to develop this further in school by running our own sessions for Year 3/4 pupils to help them develop from an earlier stage as well as prepare them for the Year 5/6 Future Flyers scheme.
Sporting Events (Provided though WSWSSP, FAB & SPH)	£2,622 (14.1%)	1, 4, 5	<ul style="list-style-type: none"> - To compete in competitive matches against schools across the region - To provide opportunities to represent the locality at the county games - To provide competitive opportunities to KS1 pupils 	These competitions will help develop the pupil's competitive nature whilst encouraging and developing respect, teamwork and self-esteem. These qualities are essential for pupils to help them participate in sport as they continue to grow.	Year on year we are committing to more sporting events and providing more opportunities for as many of our children. A new monitoring system was used this year, which found that 60% of children in KS2 participated in a sporting event. We will aim to take part in more events next year, build on this year's success and aim to see a rise in participation by 10%.
Resources and equipment	£1,800 (9.7%)	1, 2, 3	<ul style="list-style-type: none"> - To provide more opportunities for children to take part in sport throughout the school day, using specifically designed equipment to help them with their learning. 	<p>Children have had a wider selection of equipment to use at break and lunch times. This has ensured that more children are active during these times. With the help of staff, the children are encouraged to try different activities and to vary the equipment they use from week to week.</p> <p>This has also provided opportunities for pupils to take on roles of responsibilities with regards to looking after the equipment.</p>	We have been able to purchase a wide range of equipment and will hope to continue this next year while the funding is still guaranteed. This will ensure that we will have a wide range of sporting equipment for several years after.

<p>Extra-curricular Clubs (Run by external organisations and coaches)</p>	<p>£1,494 (8%)</p>	<p>1, 2, 4, 5</p>	<ul style="list-style-type: none"> - To develop skills and abilities of pupils through a wide range of sporting opportunities - To prepare teams for upcoming competitions and festivals 	<p>Through various sports and clubs the children will develop their knowledge and skills as well as being appropriately challenged in a positive and familiar setting. These opportunities will be used to encourage as many pupils to participate</p> <p>This will help pupils understand the importance of preparation and how this can impact on their mental and physical readiness for competition</p>	<p>We have been able to introduce more clubs this year than ever before. The cost for these clubs has been heavily subsidized by the Sports Premium Funding. However, we reduced this funding of the extra-curricular sport throughout last year for parents to pay the cost for their child. Pupil premium places will be payed for or negotiated with coaching companies.</p> <p>We have acquired the support of a local coaching company to provide lunchtime activities to increase the physical activity of children in all year groups. The engaging activities will aim to promote the enjoyment of a range of sports, thus increasing the participation in competitive sport.</p>
<p>Staff CPD (Provided through the FAB sports package and Deanery Sports Package)</p>	<p>£908 (4.9%)</p>	<p>2, 3</p>	<ul style="list-style-type: none"> - The develop the knowledge, confidence and ability of our teaching staff across all key stages 	<p>This will enable teachers to plan and deliver high-quality lesson which engage, develop and challenge the pupils appropriately. The staff will then pass on these skills to other teachers at staff meetings and help promote positive teaching and learning experiences.</p>	<p>CPD can be very costly, however we will aim to spend a high percentage (up to triple the amount) next year to ensure that staff can filter this through to their colleagues and provide the school with a wider range of knowledge and resources. Much of the CPD was spent on the training of the school's new PE Coordinator, which will have</p>

					an impact on the direction of PE in the school for the coming years. Training also included the new scheme to be implemented into PE lessons for all age groups in 2020. Further CPD will be provided for this.
Total Expenditure:	£15,824				
Allocated Sports Premium	£18,560				
Remaining Budget	£2,736				

Swimming

Swimming at St Mary's takes place in Years 3 and 4 throughout the whole school year. The children swim for a term in both Year 3 and then again in Year 4. We pay for qualified swimming instructors to work with the children at an appropriate level.

This year using the Sports Premium funding we will pay for additional lessons for our Year 6 pupils who were unable to meet to national expectations for swimming in lower KS2. Unfortunately, this was not able to take place due to school and pool closures as a result of the Covid – 19 restrictions. For this reason, the number of children reaching the expected requirements is lower.

Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	58 %

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	51.6 %
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	67.7%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
