Noah's Ark

twinkl

God saw that all the people on the earth were acting badly,
so he decided to send a flood that would wipe out evil.

However, there was one good man on earth.
His name was Noah and God trusted him.

God decided that he would save Noah by telling him that the flood was coming. He would instruct Noah to build a really big boat, called an ark.

After Noah had built the ark, God told him to put two of every animal on the earth in it, both male and female.

When Noah, his family and the animals were all safely on the ark, the rain began to fall. It kept falling for forty days and nights.

The waters flooded the earth. Every living thing on the face of the earth was wiped out except for Noah, his family and the animals who were safe in the ark.

When the sun came out, the waters started to dry up and the ark came to rest on a mountain. Noah sent out a raven to find dry land but it came straight back.

A few days later, he sent out a dove. The dove returned with a leaf in its beak. When the dove was sent out again, it did not return.

'The waters must have dried up completely!' exclaimed Noah.
So all of the animals and Noah's family left the ark.

God promised that he would never again send another flood that covered the earth and made a rainbow in the sky to remind everyone of his promise.

The story of Noah is about hope.
Here are twelve things people hope for.

health <input type="checkbox"/>	peace <input type="checkbox"/>	kindness <input type="checkbox"/>	love <input type="checkbox"/>
family <input type="checkbox"/>	safety <input type="checkbox"/>	pets to love <input type="checkbox"/>	friends <input type="checkbox"/>
fun <input type="checkbox"/>	donuts <input type="checkbox"/>	holidays <input type="checkbox"/>	fairness <input type="checkbox"/>

Chose some things you would like to hope for. Why are they important?

Making a rainbow of hopes Look at the picture of the rainbow. You are going to colour it in. But first remember the 7 words you chose of things to hope for. Copy one of the words into each stripe of the rainbow (use a pen for this if you can). Then colour in the picture with your pens, pencils or crayons. Some people like to put a rainbow in the window of their home with a bit of blu-tac. Other people can see the rainbows when they go out for a walk. Talk to a grown up about this idea.

Ben is 8. He wrote some sentences about his hopes into the shape of a rainbow. Can you read them?
