

Science W/B 18/01/21

L.O. To record the weather

Success Criteria:

Observe the weather outside and record using symbols

Report on the weather they have observed

What is the weather like today?

The weather is...

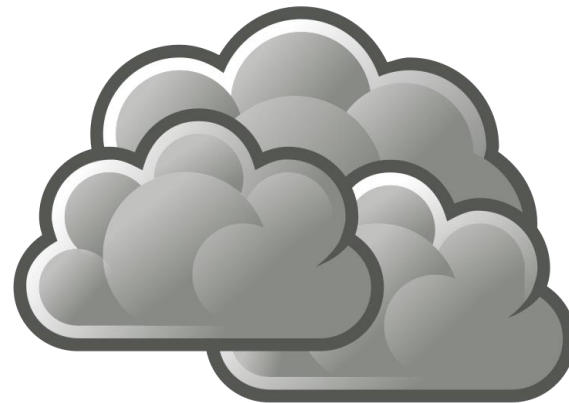

What was the weather like yesterday?

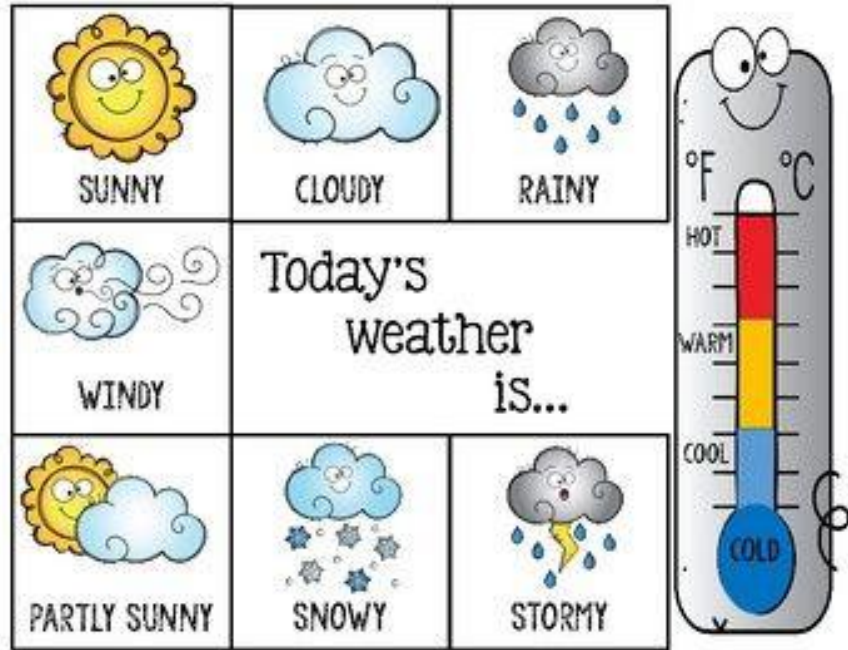

The weather yesterday was...

What different types of weather can you think of?

I know...

_____ Watches the Weather

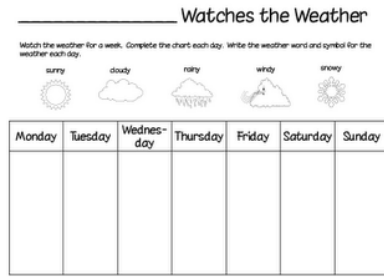

Watch the weather for a week. Complete the chart each day. Write the weather word and symbol for the weather each day.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

Today you need to design your own weather chart to display what you have observed with the weather. There is an example above for you to copy.

Task:

Design a weather chart and then fill it in every day with the weather that you observe.

Extension: If you have access to an outside thermometer, write down the temperature for the day.

Support: Draw a picture of what the weather is like each day and discuss with an adult how warm/cold it is.

Template to use.
