

Home Learning Tasks - Year 5 and 6

Week beginning: 25.01.21

A message from your teachers...

Hello everyone!

Firstly, a big well done to all those at home who have been attending Miss Breese's zoom lessons this week. She has loved seeing so many of you being so eager to learn and take such an active part in the each day's activities. Mrs Hogan-Hussein will be leading the lessons online this week, and zoom codes will be sent in a similar way to last week on ParentMail from the office. There will be one zoom code for the morning lessons and another for the afternoon lessons (so two in total).

Do not forget that we will be responding to work being sent through on **Friday afternoons** and we expect **one piece of work** sent to the class emails by **midday on Fridays**. You can send in your work as a **word document (ideally)** or a **photo of your work**. This week, we would like your **Wednesday English** task based on 'There's a Boy in the Girls' Bathroom' to be sent to us.

This week's home learning timetable is the same as last week, with an **English lesson taking place at 11am every day**, as well as an **RE, Science and Topic lesson at 2.30pm** on Monday, Tuesday and Thursday respectively.

Whole School timetable

	9.00 – 9.45	10.00 – 10.45	11.00 – 11.45	1.00 – 1.45	1.45 – 2.30	2.30 – 3.15
Mon	KS1 English on Zoom	LKS2 English on Zoom	UKS2 English on Zoom	KS1 RE on Zoom	LKS2 RE on Zoom	UKS2 RE on Zoom
Tue	KS1 English on Zoom	LKS2 English on Zoom	UKS2 English on Zoom	KS1 Science on Zoom	LKS2 Science on Zoom	UKS2 Science on Zoom
Wed	KS1 English on Zoom	LKS2 English on Zoom	UKS2 English on Zoom	PPA		
Thu	KS1 English on Zoom	LKS2 English on Zoom	UKS2 English on Zoom	KS1 Topic on Zoom	LKS2 Topic on Zoom	UKS2 Topic on Zoom
Fri	KS1 English on Zoom	LKS2 English on Zoom	UKS2 English on Zoom	'Feedback Friday' emails to children		

Please continue to use the class emails (below) for communication with your teacher, and we will be glad to answer questions and provide feedback on your one main piece of work each week.

Have a lovely week everyone!

Miss Breese, Mr Mortimore and Mrs Hogan-Hussein

**St Mary's Catholic
Primary School**
Bognor Regis

English: Timings are approximate

Reading - Please ensure that you try to read at least 20-30 minutes every day as we do in school. You can now access the quizzes on Accelerated Reader at home. However, please still ensure that you are only doing these when you have finished your book and without the help of an adult.

Remember, you can have the book with you as you do the quiz!

<https://ukhosted116.renlearn.co.uk/2249140>

Congratulations to all those who have quizzed online this week from home.

Wheatland: Ollie, Ryan, Linna, Julia and Marcus

Hotham: Angela, Oliwia, Natalia, Maria, Nathan and Connor

Regis: Clare, Naomi, Dominik, Olivia, Chloe and Freddie

Guided Reading - Use the online version of the book that is saved on the website. After each chapter that you read (either separately or in your zoom English lesson), add to the '**Bradley's Feelings Activity**'. Try to notice how his feelings **change** during the book. Remember, with an activity like this, you don't need to be limited to the sheet. You can show this in any way you like, and don't need to even do this on the sheet. One small example might be a change from Chapter 1 (where Bradley demands money from Jeff) to Chapter 2 (where Bradley tells Jeff that he'll give him his money back to be his friend).

Spelling Shed - 10 minutes each day. Remember, the expectation is still that you will do a minimum of 15 games on Spelling Shed and Maths Shed (combined - so 15 altogether). Some of you have done a brilliant job and are using it far more!

In **Regis** Class a big well done to Kyle, Louis and Mizael

In **Wheatland** Class a big well done to Julia, Mia, Linna and Gloria

In **Hotham** Class a big well done to Lily, Connor and Connie

Writing - 1 hour each day

Please find prepared PDFs for this week's learning on the school website. Mrs Hogan-Hussein will be running through each day's learning live at **11am every day on zoom**. Please make sure you come prepared with a pen/pencil and paper and a willingness to participate! 😊😊

Please send the work from **Wednesday** to your class' email address by **midday on Friday 29th January**.

For year 6s, and for those who wish to in year 5, we also suggest doing 2 sessions on your SATs Boot Camp grammar and spelling work. We look forward to seeing how you get on.

**St Mary's Catholic
Primary School**
Bognor Regis

Maths: Timings are approximate

Maths Shed - minimum of 10 minutes each day (see note above about spelling and maths shed expectations). You can also use **Times Tables Rock Stars** to improve your speed at Times Tables recall!

Maths activity - 1 hour each day

Your worksheets and answers for the week ahead will be available on the school website in the same place as this home learning document. In the same way as last week, there are two separate sections this week:

1. Miss Breese, Mrs Hogan-Hussein, Mrs Guy and Mr Mortimore's Maths
2. Miss Pearse's Maths

For those in the **first group above**, there are also some White Rose challenges based on our theme of Area which we'd love you to have a go at if you fly through each day's learning.

For Day 5 of this week's learning, please go to the BBC's Home Learning page for Area (<https://www.bbc.co.uk/bitesize/articles/zh9brj6>). Please watch and complete the two videos, the interactive activity, the quiz and the worksheet!

As always, the other lessons (and those for Miss Pearse) comprises worksheets and answers. Each week is split into lessons 1-5. For each lesson, please watch the video and answer the questions. **If you are able to print the questions off, please feel free to do so, but you can also view the questions on the website and write the answers down on a piece of paper.** You can use the answers to self-mark.

Please email your teacher should you have any questions.

R.E.: 45 minutes

Our topic continues to be '**Mission**'.

This week we are looking at how our 'phase' (Year 5 and 6 altogether) work together, like a jigsaw. We are all completely unique, yet we come together as nearly 100 children and adults to make a 'team'. In your task, you will be choosing a way to express that we are all different yet can be united in one mission. Our uniqueness and individuality will help us to live our lives loving one another as Jesus and God love each other and us.

Mrs Hogan-Hussein will be teaching this live on **Monday at 2.30pm**.

**St Mary's Catholic
Primary School**
Bognor Regis

Science: 45 minutes

Our science topic is **Fuel for Life**, where you will learn all about the body and how we can live healthy lives. Last week we learnt about the many organs of the human body and their purposes. This week, we'd suggest you get your trainers on and learn to check your PULSE! During Tuesday's Science lesson on zoom, Mrs Hogan-Hussein will be helping you understand how to check your pulse so you can record and present your results.

Topic 45 minutes

Our topic is **Global Citizenship**.

Last week, we looked at what the words 'citizen', 'global citizen' and 'citizenship' meant and how we could be Global Citizens.

This week, we will be look at a very important concept: The Rights of the Child. Come with your best artistic skills to a zoom with Mrs Hogan-Hussein on **Thursday** at 2.30pm.

P.E.

Make sure you keep as active as possible during your time at home, within the government's current guidelines.

However, to provide some well-needed motivation, how about facing up to Mr Eyres and another teacher from school in our 'Beat the Teacher' challenge?!

<https://st-marys-bognor.co.uk/p-e-with-mr-eyres-beat-the-teacher/>

If you have any questions regarding homework for your child, please email
