Mission LF 5

LO: To understand and explain that we are united in our love for each other and in the love of God for us.

Help others when they are struggling

Our Phase Mission Statement

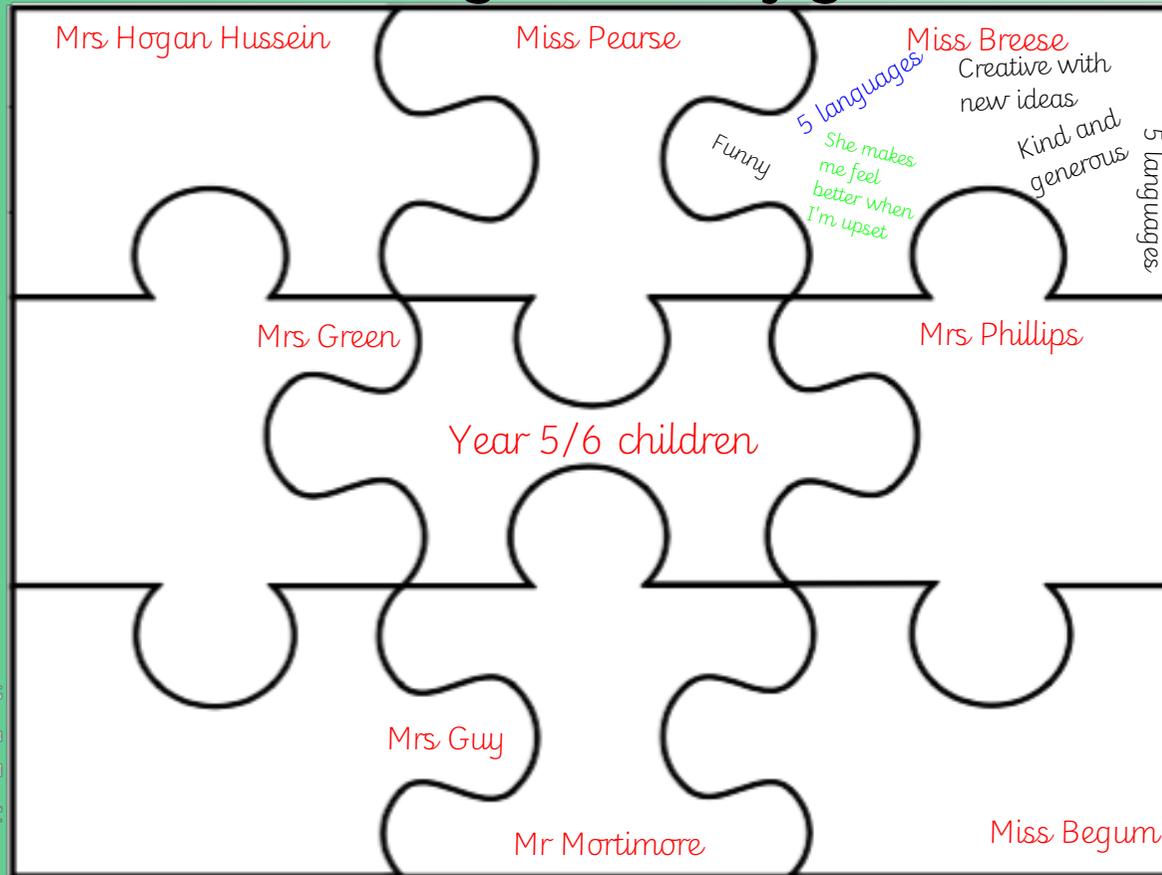

Think about some of the individuals in your 'home' class (so the children in your normal Regis, Hotham and Wheatland classes).

What would it be like if every child was the same?

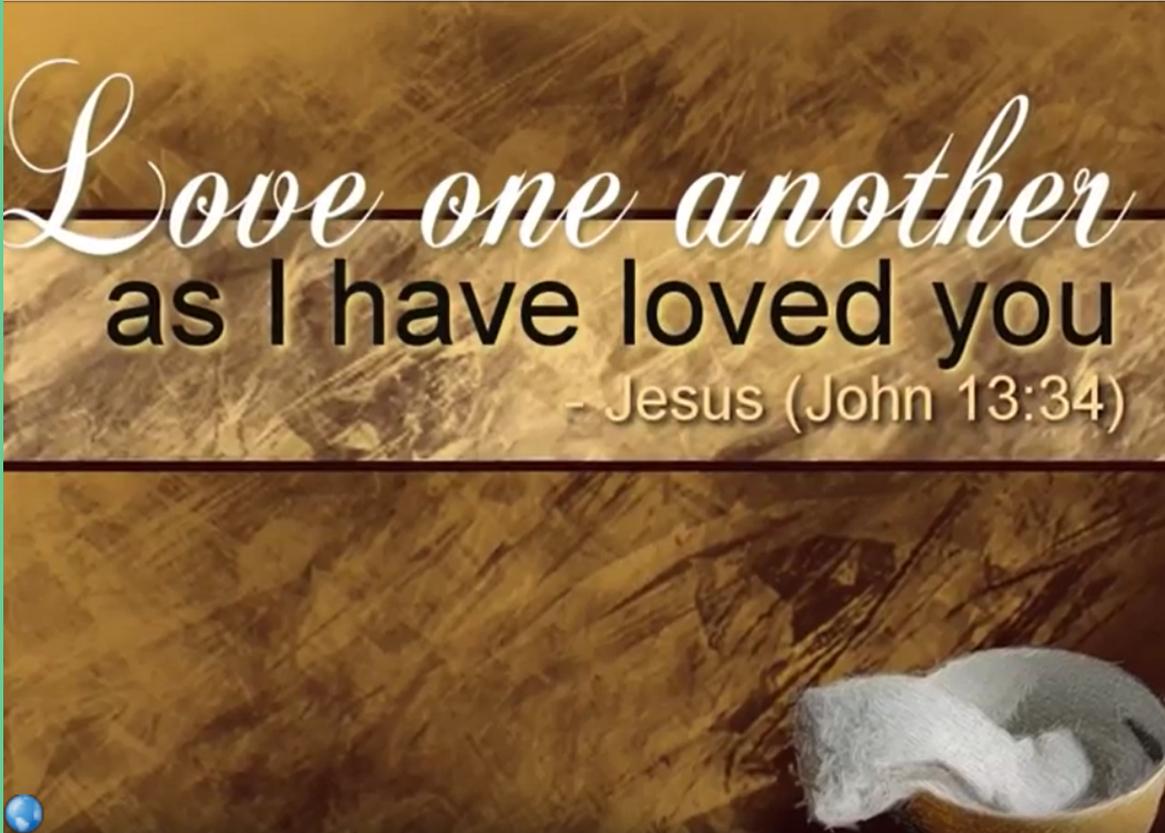

What different characteristics do children in your class have?

# The year 5/6 jigsaw

We are one group of adults in year 5 and 6 YET our mission is the same. Our MISSION is to help children grow in themselves and in their learning.

Do each of us bring the same skills and characteristics?

*Love one another*  
**as I have loved you**  
- Jesus (John 13:34)

What do you think the message of this video is?

How does it link to 'mission'?

What mission did some of the images show?

# Independent tasks

Choose a way to express that we are all different yet can be united in one mission.

Our uniqueness and individuality will help us to live our lives loving one another as Jesus and God love each other and us.

1. You could write the word Jesus and fill it with words and phrases that represent how He taught us to love one another.

2. Write a letter to a new child, joining our class. Describe and explain all the ways we work together as one and how we deal with difficulties and conflict.

3. Draw your own 'jigsaw' or use the template (you can cut out the pieces if you like). Fill in a piece of the jigsaw for a chosen group. Use the one we have on the website OR challenge yourself to do a jigsaw with all 30 pieces of children in your class.

OR if you have your own idea, you can represent our individuality and unity in any way you choose.

**Jesus washes feet**

**Jesus heals a leper**
