

Primary PE and Sports Premium Funding 2020 – 2021

The PE and Sport Premium is part of the Government’s commitment to improve the quality of PE and sport activities which schools are able to offer. This funding is ring-fenced and has been guaranteed up to 2021. At St Mary’s we are committed to ensuring this funding achieves the biggest impact on pupil achievement, motivation and confidence in sport, which in turn will impact on their whole school life.

The DfE provide information to schools about ways to use the funding and provide clear guidelines and indicators to help evidence impact and ensure a legacy for the funding.

‘The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2020 to 2021 academic year, to encourage the development of healthy, active lifestyles.

Schools can use the premium to secure improvements in the following indicators:

- 1) the engagement of all pupils in regular physical activity
- 2) the profile of PE and sport is raised across the school as a tool for whole-school improvement
- 3) increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4) broader experience of a range of sports and activities offered to all pupils
- 5) increased participation in competitive sport ‘

‘PE and sport premium conditions of grant’- DfE, 2014

Allocation of Primary PE and Sports Premium Funding					
Provision	Funding allocated (% of total PPSP)	Sports Premium Indicators	Details	Evidence and impact:	Sustainability and suggested next steps:
FAB Sports Package – Infant and Junior (Provided through The Regis School)	£6,600 (45.3%)	1, 2, 4, 5	- To promote competitive situations through festivals	These competitions and festivals will help pupils to understand more about competitions and competitive situations whilst in a nurturing and supportive environment. They will ensure they have positive experiences within sport and will continue to participate later in life.	We have committed to use the allocated funding for next year to pay for an additional year of support with running these events, training and G&T programmes.

			<ul style="list-style-type: none"> - To compete against other schools in a wide variety of sports across KS2 - Development of sports leaders through the Bronze Ambassador Programme – delivered ‘in house’ 	<p>The competitions allow children to compete against other schools in our locality and county. Children have the opportunity to display their skills and develop their own sportsmanship.</p> <p>Children will be trained to plan and deliver their own clubs and sporting initiatives whilst developing the communication and leadership skills through the planning and delivery of sporting events in school.</p> <p>Many of the events became virtual competitions due to COVID 19. This lessened the impact of the events slightly due to the lack of opportunity to compete with and against other schools.</p>	<p>By promoting and reporting on these events we hope to sustain and build on the level of participation as well as raise the profile of sport in the school.</p> <p>As much of what was offered became virtual or could not run, next year’s package will be subsidised. This meant that new opportunities were opened up and will allow for future events to be held remotely / virtually.</p>
<p>Gifted and Talent - Future Flyers (Provided through FAB Sports Package)</p>	<p>Included in FAB Sports Package</p>	<p>4, 5</p>	<ul style="list-style-type: none"> - To promote and develop young leaders - To provide expert knowledge and skills to G&T children to further their own understanding of a range of sports. 	<p>Our more able pupils will gain vital experiences with their peers to develop their own knowledge, skills and personal qualities needed to compete at the top level of sport.</p>	<p>This event has enabled us to work with experts outside of school to develop and grow our G&T pupils. We will be looking at ways to develop this further in school by running our own sessions for Year 3/4 pupils to help them develop from an earlier stage as well as prepare them for the Year 5/6 Future Flyers scheme.</p>

<p>Sporting Events (Provided though WSWSSP, FAB & SPH)</p>	<p>£500 (14.1%)</p>	<p>1, 4, 5</p>	<ul style="list-style-type: none"> - To compete in competitive matches against schools across the region - To provide opportunities to represent the locality at the county games - To provide competitive opportunities to KS1 pupils 	<p>These competitions will help develop the pupil's competitive nature whilst encouraging and developing respect, teamwork and self-esteem. These qualities are essential for pupils to help them participate in sport as they continue to grow.</p>	<p>We hoped that we would see the participation of all pupils in intra-competitions increase to 70% (following last year's 60%), however, due to COVID19, we have not been able to have these opportunities. Instead, we encouraged the use of virtual sports led by the SSP, receiving a 'Virtual Award' for our participation.</p> <p>We hope we can reach our goal of 70% whole-school participation of sporting events when we return to no COVID restrictions.</p>
<p>Resources and equipment</p>	<p>£2,500 (9.7%)</p>	<p>1, 2, 3</p>	<ul style="list-style-type: none"> - To provide more opportunities for children to take part in sport throughout the school day, using specifically designed equipment to help them with their learning. 	<p>Children have had a wider selection of equipment to use at break and lunch times. This has ensured that more children are active during these times. With the help of staff, the children are encouraged to try different activities and to vary the equipment they use from week to week.</p> <p>This has also provided opportunities for pupils to take on roles of responsibilities with regards to looking after the equipment.</p>	<p>We have been able to purchase a wide range of equipment and will hope to continue this next year while the funding is still guaranteed. This will ensure that we will have a wide range of sporting equipment for several years after.</p>
	<p>£5,000</p>	<p>1, 2, 3</p>	<ul style="list-style-type: none"> - Contribution made to the installation of the MUGA and Daily Mile Track. 	<p>In order to increase children's participation of 30 minutes daily activity every day, resources to</p>	<p>The installation will be self-sustainable and will continue to impact the provision that we as</p>

				incentivise and encourage children to do so was important. Not only does it improve our sporting provision, but it has also enthused the children to take responsibility for their own physical activity during break and lunch times.	a school can provide for the children for many years to come.
Staff CPD (Provided through the FAB sports package and Deanery Sports Package)	£908 (4.9%)	2, 3	- The develop the knowledge, confidence and ability of our teaching staff across all key stages	Opportunities were provided to support teachers in building their understanding of teaching PE. Training for REAL PE was provided for another member of staff to become an 'expert' for their Key Stage. This will provide support when the programme is implemented next year.	Dates selected to train all teachers with REAL PE training on return to school next year. Positive feedback from CPD and trails in school have suggested that it is the right step for St. Mary's. This will change the way PE is taught in school, focusing on the individual rather than the sport.
Total Expenditure:	£14,014				
Allocated Sports Premium	£18,560				
2019/20 Underspend	£2,736				
Remaining Budget	£7,282				

*It has been confirmed that any underspend from Sports Premium can be used in the academic year 2021/22

Swimming

Swimming at St Mary's takes place in Years 3 and 4 throughout the whole school year. The children swim for a term in both Year 3 and then again in Year 4. We pay for qualified swimming instructors to work with the children at an appropriate level.

This year using the Sports Premium funding we will pay for additional lessons for our Year 6 pupils who were unable to meet to national expectations for swimming in lower KS2. Unfortunately, this was not able to take place due to school and pool closures as a result of the Covid – 19 restrictions. For this reason, the number of children reaching the expected requirements is lower.

Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	68.4 %
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	50 %
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	73.7%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Targets/Areas for improvement for 2021-22
<ul style="list-style-type: none"> - To ensure children who missed swimming lessons in LKS2 catch up in Year 5. <ul style="list-style-type: none"> - Train teachers and Implement REAL PE into PE lessons - Undertake student voice questionnaire to highlight areas that might need support/development in PE. <ul style="list-style-type: none"> - Create more links with sports clubs in the local community. <ul style="list-style-type: none"> - Engage more girls in sports (particularly football) - Focus on children’s mental health following COVID 19.
