## FROM MR EDGINGTON

Dear Parents and Carers

This has been a warm week (not that we are complaining) and the children have been very good at remembering sun-screen, water and hats. Please keep checking the forecasts so the children have everything they need for the warm weather.

We are sending home the details of classes for next year tonight. We have spent many hours allocating the children taking account of their preferences, the gender mix and plenty of other factors to ensure the classes are well mixed.

The transition days will begin on Monday and continue through the week so the children will have a chance to get used to their new routines.

# Choir

In assembly this morning, our choir gave us a beautiful rendition of one of the songs they performed recently at The Big Sing.

## THE GOOD SHEPHERD

On 27th June a group of Faith Leaders went on a trip to Worth Abbey for the Good Shepherd Mass.

Once the mini bus arrived it was decided that we would sit with pupils from St Richard's which ended up being really nice as we played some games together on the way there.

When we got to the Abbey we found our seats inside and Ray and Lily held our school banner. After some readings, dancers and songs, the cheque was given to Missio and everybody cheered.

The Bishop gave a speech and then it was time for Gabriella and I to give our Polish 'Our Father' to the Bishop.

Just after the Mass finished it was time to have lunch, then we were allowed to roll down the hill. Soon after that Mr Hules, SPH headteacher, drove us home to then be collected by our parents at SPH.

## WINTERSHALL

I really liked Wintershall.

I got on the bus with my bags. I came on to the bus and sat down (we had to be on it for an hour and 20 minutes!)

I got to Wintershall and it was boiling. I was walking down a beautiful path. I got to sit on a hill and watched a phenomenal play.

I got to the other stations and it was fantastic.

My favourite part was on one of the stations where Jesus did a miracle - when he fed the people bread and fish. He fed the bread to us.

It was amazing!

**Ola, Wheatland Class**

I really liked Wintershall because I felt like I was in the real world of Jesus. Everything looked real - acting was fantastic. I loved it so much. My favourite part was when they fed the 5000 people. The man playing Jesus fed us the bread - it was so good.

This trip was the best one ever.
